

# Learn to Live

*Learn to Live* is the theme of the 2010 Fall Kickoff event for Osher Lifelong Learning Institute at the University of Michigan. Whether you are a continuing member, a new member, or a person potentially interested in joining OLLI-UM, the Kickoff program and registration have been planned to inform you and provide opportunities to enroll in the various Osher activities you wish. Osher's purpose is to encourage senior adults to continue their learning in a learning-for-learning's-sake environment.
